

## Guidelines for the PartnerParks Conceptual Drawing Grant Application

### What is the PartnerParks Conceptual Drawing Grant Program?

The PartnerParks Conceptual Drawing Grants program is intended to provide “seed money” for development and enhancement of Calgary’s parks, playgrounds, pathways, natural areas, and open spaces. The program supports projects that provide significant benefit to the continuation and enrichment to Calgary’s parks and pathways

The Foundation provides funding assistance throughout the city of Calgary. The Parks Foundation offers PartnerParks grants in the following area

- **Architectural Drawing Grants** - Up to \$5,000.00 can be awarded to any non-profit organization, club, league, education institution, or group endorsed by an appropriate body to provide seed money to hire a landscape architect to provide drawings that reflect the vision which the group would like to create. The architectural drawings also provide a preliminary cost estimate for the project, and a drawing to show donors, stakeholders, and city representatives during the first stages of approvals.

### What types of groups are eligible

Those eligible shall be any organization, club, league, educational institution or group endorsed by an appropriate body if they

- are registered as a non-profit society
- have objectives and programs relating to parks or river valleys or amateur sports

Past grants have been provided to schools and parent associations for playground equipment and seating, community associations for naturalization projects, and other organizations for pathways, trees and interpretive signage.

### How are the applications evaluated?

Evaluation criteria includes:

- a demonstrated need for the project as it relates to parks, pathways or river valley development or amateur sports;
- the number of communities, groups or citizens who will benefit
- The project must be within the Calgary municipal boundaries or of benefit to Calgary citizens.
