HOLIDAY 2014 NEWSLETTER

Happy Holidays!

FROM PARKS FOUNDATION CALGARY

Dear Friends,

With another year coming to a close it is time to take a look at our progress and successes here at Parks Foundation Calgary. We would like to thank all of our partners and volunteers who have made 2014 another amazing year with their continued support.

Construction on the Rotary/Mattamy Greenway made tremendous progress in 2014. With continued work in Phase II and III this year, the Greenway is now 80% complete. We celebrated these milestones with two events, one in May and one in October and were thrilled with the response and community turn-out. With the 2014 construction season now over, it is time to turn our attention to planning the work scheduled for 2015.

It was an exciting year for our BPC (Building Playgrounds and Communities) program as we had our 100th playground build this year! A total of 15 playgrounds were constructed in 2014 in various communities around Calgary.

We would like to sincerely thank our key business partner, the City of Calgary as well as the many individuals, developers and corporations who have helped us make 2014 such a successful year.

Thank you to everyone who has supported Parks Foundation Calgary over the years. May your holiday season be filled with happiness and relaxation.

From all of us at Parks Foundation Calgary

Calling All Amateur Sports Groups...

Did you know...?

Parks Foundation Calgary has been working with the Saddledome Foundation and the Calgary Flames Hockey Club to provide funds to support local Calgary-based amateur sports groups since 1985. The program is part of the Saddledome Foundation's commitment to provide an Olympic legacy from the operation of the Saddledome.

The goal of the program is to enhance amateur sports around the city to applicable organizations, clubs, leagues, educational institutions or groups. We have three application intakes every year!

For 2015, our deadlines are:

- » January 15, 2015
- » May 15, 2015
- » October 15, 2015

Let's Celebrate!

On October 15 - 17 2014, Parks Foundation Calgary worked with volunteers from Imperial Oil and the Church of Jesus Christ of Latter Day Saints to expand the current playground in Applewood. This playground expansion was the 15th and last playground build of 2014. We are also very excited to announce this was our 100th playground build since 2009!

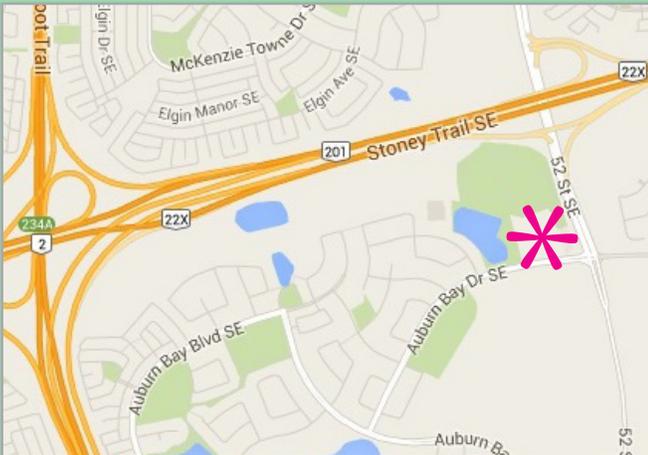

Our 100th playground!

Keep Your Furry Friends Active Year-Round

If you haven't had a chance to check out the new dog parks associated with the Rotary/Mattamy Greenway, this winter would be the perfect chance to check them out with your pooch! With over 10 acres of open space at each location, there's more than enough room to tucker the little (or big) ones out.

Rotary/Mattamy Greenway *Celebration*

On October 8 2014, Parks Foundation Calgary and Hopewell Residential, along with TransCanada Corporation came together to celebrate the Greenway at the TransCanada Outdoor Fitness Park. We were grateful for the beautiful weather and the 200+ attendees enjoyed music by Bailey & The Boys, a BBQ provided by the Rotary Club of Calgary, as well as an amazing view of the wetland area located in the community of Mahogany.
